

How to upload your portfolio in Canvas

Under Modules, Click on **Portfolio upload**:

Click **Submit Assignment**:

Please upload your portfolio based on the following:

A. Include six to ten pieces of your best work. You may include still photography as well as motion or video.

B. Portfolio Exercise: Choose **one** of the following themes and submit **five pieces** in a sequence to best represent that theme. You may include still photography as well as motion or video. Motion or video should not be longer than 30 seconds.

1. Double-check the specifications. Listed are the same as those that were sent to you via email before you developed your portfolio.
2. Click "Choose File" and navigate to the file on your device
3. For multiple files, Click "Add Another File"; and repeat this process **BEFORE** you hit the "Submit Assignment" button.
4. Click "Submit Assignment" when ready
5. When your portfolio has been reviewed, you will receive the results via email, along with additional information.
